Bachelor of Sciences(B.Sc.)	2000	4 Years

Short-Term Study Programs*

Level/ Program	Annual Education Fee(\$)	Duration
Clinical internship training	2500	1 Year
Workshops	Determined by the Department	

*** SHORT-TERM STUDY PROGRAM**

Refers to short-term, non-degree programs of any period from a few weeks to a full school year, but which does not lead to a degree. Short-term students are generally considered no regular students.

These short-term, non-degree programs provided in English that are taught by top-class professors and are available to highly motivated students from all over the world. Some of these programs are restricted to students enrolled at partner universities or those that belong, while others may be limited to undergraduates or postgraduates only.

*** LANGUAGE USED IN THE CLASS**

Some programs consist of classes conducted in Persian only while others offer classes in English only or in both Persian and English.

PROGRAM FORMATS

There are various formats, depending on the university, such as special classes exclusively for short-term international students or those accepting international student enrolled in general departmental courses.

TUITION AND FEES REFUND POLICY

Students who may decide to withdraw permanently from studies at any point in the academic year will be liable to pay all the fees (including the tuition fee, accommodation fee, registration fee, etc.).

NOTE 3: Tuition and fees will be increased by more than 10 percent every year for inflation, according to regulation of University Board of Trustees.

NOTE 4: The above tables feature annual tuition fees, registration, language courses, living expenses, etc. for the academic year 2019-2020. Applicants should be aware that withdrawing from studies at any point of the studies at KAUMS can cost them the whole annual tuition fee as well as relevant fines (such as accommodation, utilities, internet, health insurance, and registration fees) according to the University regulations.
